Peka are the name chilled mash potatoes that are easy to heat and portion.

Steam | Microwave | Oven | Bain Marie

Ingredients:- 80% potatoes, water, skimmed **milk**, rapeseed oil, salt, potato starch, guar gum, pepper.

6250 3x4kg Mash Potato

£23.85cs

6251 4kg Mash Potato

£ 8.95pk

IMPOSSIBLE NUGGETS

Impossible Nuggets are a **1:1 substitute for animal chicken nuggets** and come fully cooked and ready to heat. With 12g of protein per 100g, the 100% animal free nuggets contain 12g less salt than real chicken nuggets, making for a **healthier dinner**. These nuggets are the perfect Meat Free option.

TECHNICAL EXPERIENCE

Meatline are a licensed meat cutting plant based in Maldon Essex adhering to FSA standards.

Over the last 38 years we have gained an in-depth understanding of the **school catering managers** role, therefore we can support you throughout our partnership. Scan the QR Code to access our Knowledge Base Portal

You can save on waste and reduce labour costs with our portion control products. 56g for infants, 75g for juniors. Order what you need, just tray and bake.

Our SALSA accreditation ensures our allergen management, HACCP and food safety systems are up to date.

Being part of LACA means we are in the know with key updates on school meal policy. We suggest you join LACA to extend your network and help to improve school meals for all.
